This application is for businesses and firms located in the 50 United States that are performing services related to the collection industry, including but not limited to third-party consumer debt collection, billing and asset buying companies. Please note:

- If you collect only for your own company and not for other businesses, ask about ACA's Creditors International (CI) Division, which offers membership for professionals in credit management and lending.
- If your company buys, sells, finances or facilitates asset sale transactions and does not collect debt, ask about direct membership in ACA's Asset Buyers Division.
- If your company is a supplier and does not collect debt, ask about membership in ACA's Affiliate (Vendor) Division.

ACA International estimates that the nondeductible portion of the national association dues—the portion allocable to lobbying—is 20 percent. The Illinois Unit estimates that the nondeductible portion of your unit dues is 63 percent.

*The ACA International Education Foundation (ACAIEF) is a non-profit, public educational foundation dedicated to increasing financial literacy in the United States and to supporting research, job training and educational programs in related areas. If the rates or fees stated are not satisfactory to the Forwardee, he or she shall return the item(s) of collection within ten (10) business days to the Forwarder along with all original documentation thereof.
- B. Any change in rates concerning any items forwarded for collection shall be agreed to and acknowledged in writing by both the Forwarder and Forwardee.
- C. Unless otherwise agreed to by both parties, in writing and signed by both parties, the method for computing compensation for internationally forwarded accounts will be based upon a contingent fee method. This means that compensation will be based solely upon a percentage of the amount collected and remitted in the Forwarder's currency. If no funds are collected, no charges or expenses will be paid to the Forwardee. This applies to all collection efforts including legal proceedings (court costs, attorney fees, etc.) unless the parties otherwise agree in writing, in advance of any work being done and /or in advance of any legal action being started. Members who forward accounts for collection should determine whether the country or political unit wherein the Forwardee conducts business, imposes any prohibition or restrictions on the remittance of funds or

assets to Forwarders, before forwarding accounts for collection to any such Forwardee.

- D. In the instance when an account is forwarded for collection of an amount which includes charges in addition to the principal balance due, the forwarding documents shall include an itemization of each such additional charge. Moreover, unless otherwise prohibited by law, any decision to collect such charges from the consumer shall be the sole responsibility of the Forwarder and said Forwarder shall indemnify and hold Forwardee harmless for any damages including compensatory, actual and punitive which Forwardee incurs as a result of Forwarder's decision and demand to collect such additional charges. As used in the Association Code of Operations, charges subject to this provision shall include, but are not limited to, interest, penalties, court costs, sheriffs' fees, bank charges, garnishment fees, attorney fees and costs of service of process.
- E. The Forwarder shall disclose any disputes of which the Forwarder has knowledge and advise whether or not an itemized statement can be produced upon request of the Forwardee.
- F. The Forwardee shall, within ten (10) calendar days of receipt of the originating forwarding letter or document acknowledge all items forwarded for collection by accepting or rejecting them in writing. If the Forwardee rejects an account or item forwarded for collection, he or she may, but is not required to, inform the Forwarder of the reason for so doing.
- G. Forwardee shall respond promptly to requests for reports from Forwarders.
 - 1. Reports shall not be requested or expected sooner than one hundred fifty (150) calendar days after the forwarded account has been either acknowledged, payment received thereon or following the last report, unless otherwise agreed to in writing by the parties.
 - 2. After two (2) requests for reports have been made by a Forwarder, without response from the Forwardee, the Forwarder may give fifteen (15) business days' notice of cancellation of the forwarded account by certified mail, and if no report is given within this time (15 business days), the forwarded account shall be considered canceled and returned to the Forwarder.
- H. Except as provided in paragraph I below, allow the Forwarder or the client of the Forwarder the right to withdraw any account or item forwarded for collection, six months after they have been listed for collection, within thirty (30) calendar days of receipt of such a request in writing, if there has been neither payment, promise of payment or legal action filed since the account or item was forwarded which reasonably entitles the Forwardee to retain the item or account for further collection effort.
- I. Allow the Forwarder or the client of the Forwarder the right to withdraw any account or item forwarded for collection immediately upon evidence that the Forwardee has breached the contract in effect between the Forwarder and Forwardee.
- J. The Forwarder shall promptly report to Forwardee any direct payments made either to Forwarder, or to the creditor. The Forwarder shall remit such amounts to the Forwardee within thirty (30) calendar days after being rendered a statement by
